

PROTECTING CHILDREN IN GENDER MEDICINE

Ending the Silence,
Restoring Medical Ethics

Join medical professionals, nurses, and advocates for an urgent public forum confronting the clinical suppression, political interference, and ethical breakdown unfolding in gender medicine in Queensland.

This event will uncover what really happened to Dr Jillian Spencer, why her suspension shocked doctors across Australia, and what must be done to defend ethical evidence-based care and freedom of medical debate to protect vulnerable children.

 **Date:** Wednesday 30 July

 **Location:** Hope Centre, 35 Thompson St, Bowen Hills QLD 4006

 **Time:** Registration open from 6 pm for a 6:30 start

 **Tickets:** <https://www.trybooking.com/DDHZB>

Cost: \$15 to cover venue and multimedia cost
